

# Creative Use Guide for Imperial White Chopstick Rest

---

## Model 210-38 (2-3/8 in)

---

### Design Philosophy

The Imperial White Chopstick Rest represents the pinnacle of contemporary dinnerware craftsmanship, where the extensive range of Imperial White dinnerware includes specially designed utensils and versatile shapes and sizes that allow for endless possibilities of your establishment's distinctiveness. This sophisticated dining accessory embodies the Imperial White series' commitment to quality and distinctive design, offering versatile presentation opportunities that enhance both everyday dining service and special occasion presentations.

The elegant design creates comprehensive dining functionality with sophisticated presentation appeal and cultural authenticity, while the refined Imperial White aesthetic provides optimal presentation foundation for diverse Asian cuisine applications. This distinctive combination allows for creative presentations that showcase the collection's unique characteristics while maintaining practical functionality for comprehensive hospitality applications.

### Technical Excellence

Crafted from premium Imperial White china, the Chopstick Rest features the signature quality that distinguishes this exceptional series. The smooth, non-porous surface resists staining and ensures easy maintenance, while the excellent thermal properties accommodate diverse dining presentations. Microwave and dishwasher safe construction supports efficient commercial operations.

The Imperial White design provides both visual appeal and functional benefits, creating natural dining service harmony while maintaining structural integrity and durability that exceeds standard china expectations for intensive dining service

applications. The compact yet functional design ensures seamless integration with comprehensive table settings.
