

Creative Use Guide for Imperial White Tea Cup (With Handle)

Model 210-49C (6 oz)

Design Philosophy

The Imperial White Tea Cup (With Handle) represents the pinnacle of contemporary dinnerware craftsmanship, where the extensive range of Imperial White dinnerware includes specially designed utensils and versatile shapes and sizes that allow for endless possibilities of your establishment's distinctiveness. This sophisticated beverage vessel embodies the Imperial White series' commitment to quality and distinctive design, offering versatile presentation opportunities that enhance both everyday tea service and special occasion dining.

The handle design creates comprehensive beverage functionality with elegant presentation appeal and comfortable handling, while the refined Imperial White aesthetic provides optimal presentation foundation for diverse beverage applications. This distinctive combination allows for creative presentations that showcase the collection's unique characteristics while maintaining practical functionality for comprehensive hospitality applications.

Technical Excellence

Crafted from premium Imperial White china, the Tea Cup (With Handle) features the signature quality that distinguishes this exceptional series. The smooth, non-porous surface resists staining and ensures easy maintenance, while the excellent thermal properties accommodate both warm and cold beverage presentations. Microwave and dishwasher safe construction supports efficient commercial operations.

The Imperial White design provides both visual appeal and functional benefits, creating natural beverage service harmony while maintaining structural integrity and durability that exceeds standard china expectations for intensive tea service

applications. The ergonomic handle design ensures comfortable handling while preserving presentation quality.
